

ENTKUNSTUNG JOURNAL SUBMISSION AND STYLE GUIDELINE

TEXTS

- 1) Manuscripts submitted to 'Entkunstung Journal' must be in English up to 15.000 words including endnotes.
- 2) Format like this: Font Helvetica, Size 12, Space 1.15
- 3) Endnotes like this: Name + Surname | Title | Editorial/Publisher | Year | Page (or URL)
e.g. [1] Claire Bishop | Artificial Hells | Verso | 2012 | 77
And if possible, don't use Word's footnote feature, but set it manually in the text with numbers in brackets: [1]
- 4) Please don't use italics for long sentences – we simply don't like them.
It's ok if you want to emphasize single words though.
- 5) Please be careful when using quotation marks. Correct: "...” or ‘...’
(single ones only used within double quotation marks).
- 6) You want to use images in your article? That's fine for our online journal,
but we won't include them in our printed yearbook due to copyright issues.

ARTWORKS | IMAGES

- 1) If you submit your own artwork please send us High Resolution files via WeTransfer or Dropbox (preferably 300dpi, CMYK).
- 2) Include a short description, your full name and the title of the artwork/series.
- 3) For video works please also provide High Resolution images or screenshots that are good enough to be printed.

Thanks, we are looking forward to your contribution!
